# SwiftPOS Kiosks

## Customer & Order Kiosks

Bring the Best, with SwiftPOS Order Kiosks & Customer Kiosk

A perfect solution for QSR's, Club's and hotel's. Give your customers more ways to interact with your venue.

More options means, fewer lines, faster service, more orders and happier, returning customers. Create inbuilt loyalty rewards & programs, gaining valuable insight into your customers spending behaviour. Reward your members instantly, when they enter your venue, with the Customer Kiosk.

Reliable, Flexible, Fast,  
Functional and  
Integrated

POS SOLUTIONS

# Self-Order Made Easy

## Simple & Intuitive Layouts Means Quicker Ordering

A perfect solution for QSR's and Club's bistro style services. Order and Pay via EFTPOS at the Kiosk or with flexible options to pay on pickup. Create simple function buttons and layouts, to give your customers clear direction, for ordering and paying.

Improved EFTPOS features and integration allows for customers & members to pay at the kiosk or pay when their food is ready.

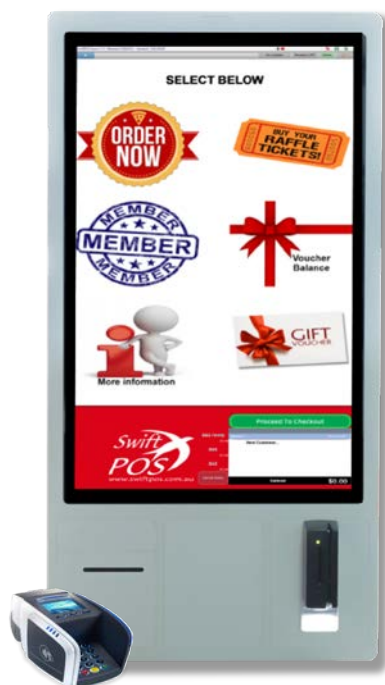

## Order Ahead & Jump the Queue

SwiftPOS Kiosks accommodates both landscape & portrait interfaces, with fully customisable designs. Create intuitive and eye-catching order menus with

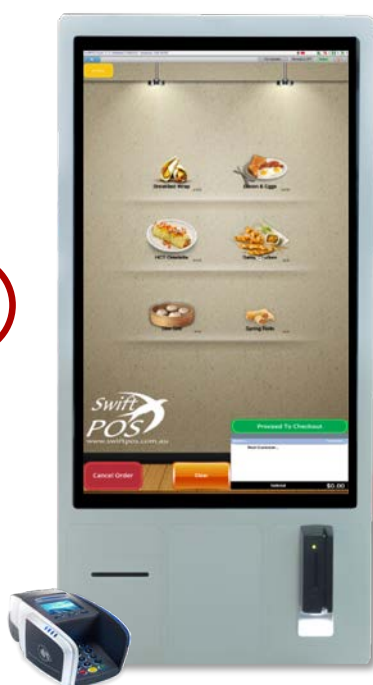

- Images, PNG files,
- Text and
- Video screen savers, with Flash video graphics

## Do More:

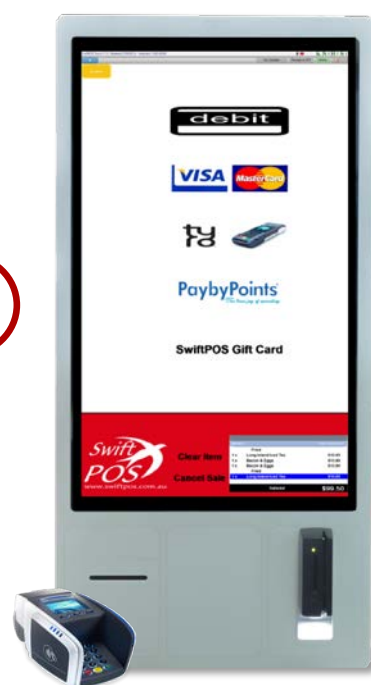

- Buy raffles tickets
- Buy & use gift vouchers
- Pay with points
- Tap & go
- EFTPOS integrations including Tyro

Simple

# Customer Entry Kiosk

## Reward Members on Entry to Your Club

Providing More Points of Interaction with Members

The Customer Kiosk showcases all members details. By simply scanning or swiping their members cards, members can:

- View Account Details,
- Use their Points,
- Pay Membership Fees
- Play a Rewards Game
- Link Points to the Gaming Systems.

## Why the SwiftPOS Customer Kiosk?

- A Powerful Marketing Tool
- Gain Valuable Member Insight
- Perfect Advertising & Promotional Interface
- A Direct Point of Contact With Members

Our Commitment is your Peace of Mind
