- ✓ 250+ reports available
- ✓ Up to the minute KPI mobile dashboard reporting
- ✓ Full stock control management
- ✓ Multi location stock control

Loyalty & Membership

| Tiered Loyalty

We provide long term strategies in marketing to members through Tiered Loyalty cards. You can create loyalty rewards programs based on member classifications and keep members active and engaged with the Club.

| Smart Gaming Integration

Our Gaming interface software integrates with your poker machine loyalty solution. It rewards members with points and redemption opportunities at the bar or restaurant.

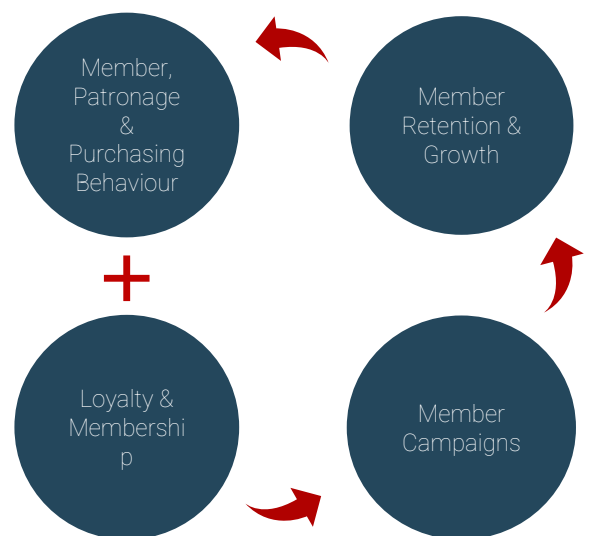

| Member Entry Kiosk

A simple method of rewarding your members every time they visit your club.

- ✓ Gather valuable data on when and how long your members visit your establishment.
- ✓ Rewards members through a loyalty point system
- ✓ Members are placed into a draw upon arrival, giving them a chance to win instantly
- ✓ Display member messages and print vouchers

Individualised Membership Loyalty Campaigns

- ✓ Facebook mobile marketing
- ✓ Raffles at POS terminals
- ✓ Points for \$ spend loyalty system
- ✓ Issue and track gift cards
- ✓ Triggered vouchers
- ✓ Member campaigns
- ✓ Add/Edit member details and
- ✓ Receipt fees at the POS

OPEN

Promotion & Advertisings

Inform Your Customers With Our
Live Interface Advertising Features

Not Just A POS System

We strive to be not just a POS solution, we are committed to bringing features that will enhance a Club's sales. So we have designed in-built features to help bring **Promotions, Specials** and **Advertising** to life!

Flexible Pricing & Product Solutions

Our system allows you to create customer displays and digital Menu Boards, keeping your customers informed of the latest products and promotions on offer. Easy design and print means **Vouchers** and **Gift Cards** can be triggered, created and customised on the spot, to suit each promotional campaign.

Total Advertising Solution

- ✓ Customer facing display advertising
- ✓ Location specific promotions
- ✓ Up-selling features with staff prompting
- ✓ Embedded animation and video files
- ✓ Live menu boards, advertising daily specials
- ✓ Order ready features
- ✓ Mail Chimp interface
- ✓ Impact Data interface

Customer Driven Software

Exceptional Useability for Bars

SwiftPOS allows for easy control over price changes for happy hour, promotions, specials and surcharging. Our POS allows for customers to spend their points at the bar, reducing your venues points liability with simple points spending integration at the bar.

- ✓ Customise POS keyboards to suit each bar's specialty
- ✓ Setup multiple cash draws for a single POS terminal
- ✓ Quick Search: product groups, categories or families
- ✓ Reduce keystrokes for quicker customer service
- ✓ Automatic pricing for Sunday, public holidays and or happy hour
- ✓ Hold and recall sales

Delivering for Bistro & Table Service

SwiftPOS Mobile for table service reduces ordering times by directly entering orders at the table, increasing your table turnover, with fast, efficient and friendly service.

Bistro Service

- ✓ Multiple orders, paid individually at a table are sent to the kitchen as a single order
- ✓ Names can be stored against each order when seat numbers aren't in use.
- ✓ Split billing/payment
- ✓ Delayed print to kitchen options
- ✓ Join tables or transfer tables
- ✓ Options to change existing transactions for previous items rung up

Table Service

- ✓ Customisable table tracking
- ✓ Split billing/payment
- ✓ Table and seat number/name tracking
- ✓ Delayed print to kitchen options
- ✓ Automatic surcharges
- ✓ Kitchen bump screens
- ✓ Receipt/bounce back vouchers
- ✓ Reservations with table allocation in advance

Intuitive Product & Staff Management

Some of the biggest expenses to your Club can be stock and wages

We know the value in correctly managing staff and stock.

Manage Stock At Any POS

Single step Stock transfers at the POS, means you can easily and quickly transfer Stock between venue locations.

- ✓ Uninterrupted operations during stocktakes
- ✓ Stocktake at the POS
- ✓ Process daily delivery of supplier Invoices
- ✓ Look up stock on hand in all locations
- ✓ Add barcodes at the POS

Back Office Inventory Equals Control

- ✓ Change prices in seconds on all POS terminals
- ✓ Reduce overstocking through stock level monitoring
- ✓ Sell products of different sizes using unlimited PLU Modifiers. For example, single, 6pk or carton
- ✓ Handheld stocktake management App for quick stock counts
- ✓ Single step stock transfers in Back Office

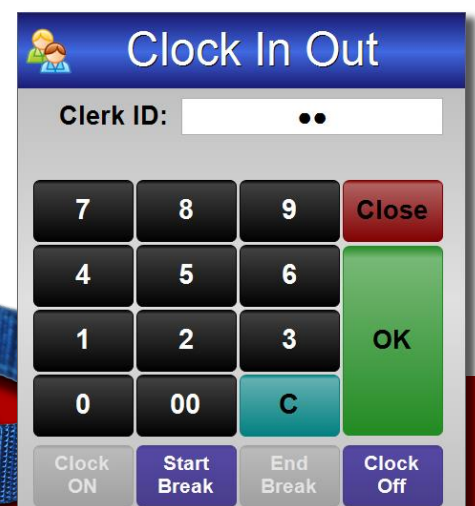

Manage Clerk At Any POS

Use wrist bands or clerk/staff logins to clock on/off at the POS

- ✓ Record staff breaks
- ✓ Change roles as required
- ✓ Clerks can hold/recall sales,
- ✓ Automatic log off via timer and or when sale finalises
- ✓ Notify clerk/staff at login using messaging

Staff Solution In The Back Office

- ✓ Record clerk/staff attendance in Back Office for payroll
- ✓ Restrict clerks/staff access to POS functions
- ✓ Fingerprint integration available for secure recording of staff hours
- ✓ Automatic printing option for staff to print and be signed off by the manager

Multi-Venue Management

SwiftPOS Head Office For Multi-Venues

Multi Store management has always presented unique problems not found in single store venues. **SwiftPOS Head Office** has been developed from the ground up to handle these unique challenges, in a secure manor with integrated security at many levels.

Key Features

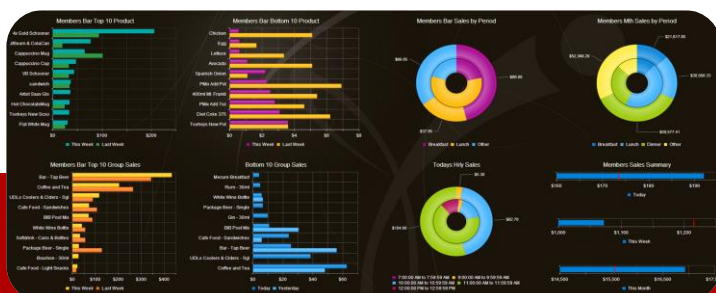

- ✓ Head Office can see sales overview of all venues in real-time
- ✓ Manage the active products in different venues
- ✓ Allows for central management of cost prices and selling prices for all venues
- ✓ Head Office provides a host based loyalty system that captures all the member transactions from all venues
- ✓ View complete details of every transaction including: PLU's, payment tenders, change given, voids, credits and no sales

Bottle Shop Features

- ✓ Mix 'n' Match on combined purchase of selected products
- ✓ Generate automatic weekly specials
- ✓ Incorporate promotional campaigns for members
- ✓ Print: labels, shelf-labels and shelf-talkers with our label printing integration
